About Annotate Teach

About Annotate Teach

-This font will be used for all major titles and labeling. It can be downloaded free-use from Abdoe fonts.

-The page selection located at the top of the app should have a 20 point size difference between about and teach compared to annotate.

-The following display the options selected to be offered for each tool

-The main color should be used for the majority of the app, including the background

-The sub colors come from the logo and should be used in secondary elements on the app
